MEDICAL BILLERS, TRANSCRIBERS, AND CODERS ERRORS & OMISSIONS (E&O) INSURANCE

Fox Point Programs offers a Professional Liability Insurance product (also referred to as Errors & Omissions, or E&O) that is tailored to address the unique exposures facing Medical Billers, Transcribers, and Coders today. The offering provides coverage for actual or alleged acts, errors, or omissions arising out of professional services rendered to others.

TOP 10 HIGHLIGHTS OF THE FOX POINT MEDICAL BILLER E&O PRODUCT

- 1 Streamlined submission process. We offer a simplified, one-page self-rating application for risks generating up to \$100,000 in revenues annually.
- 2 Coverage for defense costs, civil fines, and penalties levied by government agencies arising out of non-compliance with HIPAA regulation.
- 3 Protection against third party computer virus damage due negligent transmission of malicious software or network security failures. Some restrictions apply.
- 4 Multiple limit and deductible options available.
- 5 **Superior Claims Handling** The most important barometer of any professional liability policy is how vigorously it defends the insured in the event of a claim. The Fox Point product is backed by legal professionals with extensive experience in the handling of medical-related litigation.
- 6 Coverage for independent contractors working at the direction of the Insured is available via endorsement. Certain restrictions apply.
- 7 Prior Acts coverage available via endorsement.
- 8 Coverage for Personal Injury, including allegations of slander, libel, defamation, and invasion of privacy.
- 9 Fox Point uses insurance carriers rated "A" (Excellent) or better by A.M. Best for their financial stability, underwriting integrity, and claims-paying ability.
- 10 Receive a discount if you hold a formal certification recognized in your industry.
